Dear Chief Montour:

We wish to acknowledge the receipt of the recommendations passed by the Social Services Committee of your Council at its meeting of August 27th, 1986.

Insofar as the Native Child Welfare Prevention Programme and the H.O.M.E. Programme provide services to many of the families that our office at Ohsweken serves, we would like to offer our co-operation in ensuring that our native services to these families is co-ordinated.

To that end, we would like to discuss with you or your designate the establishment of a regular forum to ensure this co-ordination at the service delivery level.

Yours truly,

Dear Mr. Walsh:

The Six Nations Council is setting new directions in Child Care on the Six Nations Reserve and as a result, I am pleased to announce that Mrs. Wilma General has been appointed as the official Band Representative in all Native Child Welfare and Protection cases. Due to the possibility of a conflict of interest, Mrs. General will no longer serve as a Board Member of the Brantford Children's Aid Society.

As for Six Nations Representation on the Board of Directors and the Finance Committee of the Brantford Children's Aid Society, the Six Nations Council has appointed Mrs. Shirley Farmer to assume all of Mrs. General's previous duties, including property, services, finance, personnel, public relations, nominations, and the Executive Committee, which Mrs. General has so ably fulfilled for the past 14 years.

This letter will serve as official notification to the Brantford Children's Aid Society of the above mentioned changes and I am sure you will join me in welcoming both Mrs. General and Mrs. Farmer to their new positions.

If further information or assistance is required, please do not hesitate to contact this office.

Sincerely,

William K. Montour

Dear Sir:

Re: Your Letter of September 18th, 1987

I have reviewed your correspondence and attached Resolution with regards the conditions under which the C.A.S. is permitted on the Six Nations Reserve. I wish to assure you that the delivery of child welfare services by our Society is, to my knowledge, in complete compliance with the Resolutions.

Prior to meeting with your Social Services Committee, I would first take the opportunity to consult with my staff and members of the Board regarding these Resolutions. Given the short notice of your correspondence and the fact our Board meets on September 24th, 1987, I cannot attend your meeting on September 23rd, 1987.

Please advise on a mutually suitable date.
